The Children's Hour

Between the dark and the daylight,
When the night is beginning to lower,
Comes a pause in the day's occupations,
That is known as the Children's Hour.

I hear in the chamber above me
The patter of little feet,
The sound of a door that is opened,
And voices soft and sweet.

From my study I see in the lamplight,
Descending the broad hall stair,
Grave Alice, and laughing Allegra,
And Edith with golden hair.

A whisper, and then a silence:
Yet I know by their merry eyes
They are plotting and planning together
To take me by surprise.

A sudden rush from the stairway,
A sudden raid from the hall!
By three doors left unguarded
They enter my castle wall!

They climb up into my turret
O'er the arms and back of my chair;
If I try to escape, they surround me;
They seem to be everywhere.

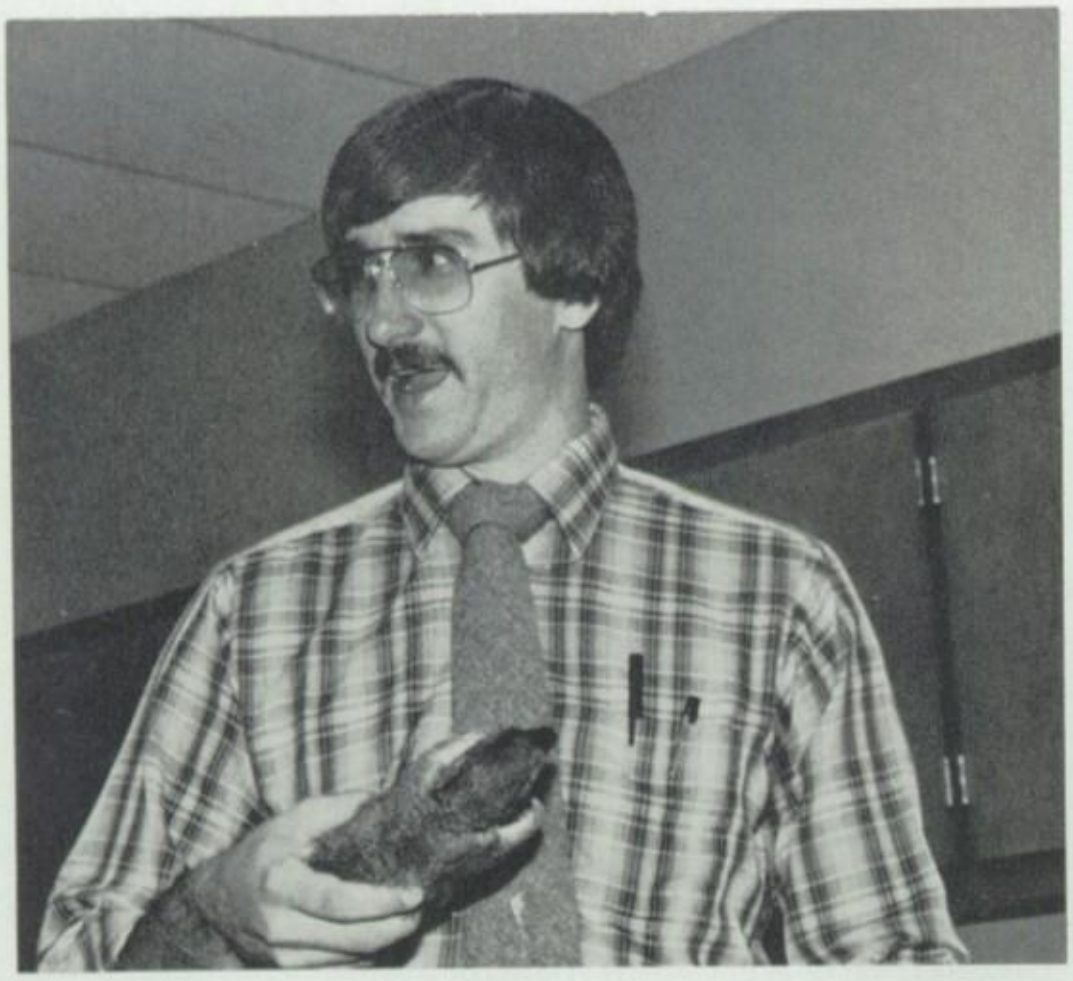
They almost devour me with kisses,
Their arms about me entwine,
Till I think of the Bishop of Bingen
In his Mouse-Tower on the Rhine!

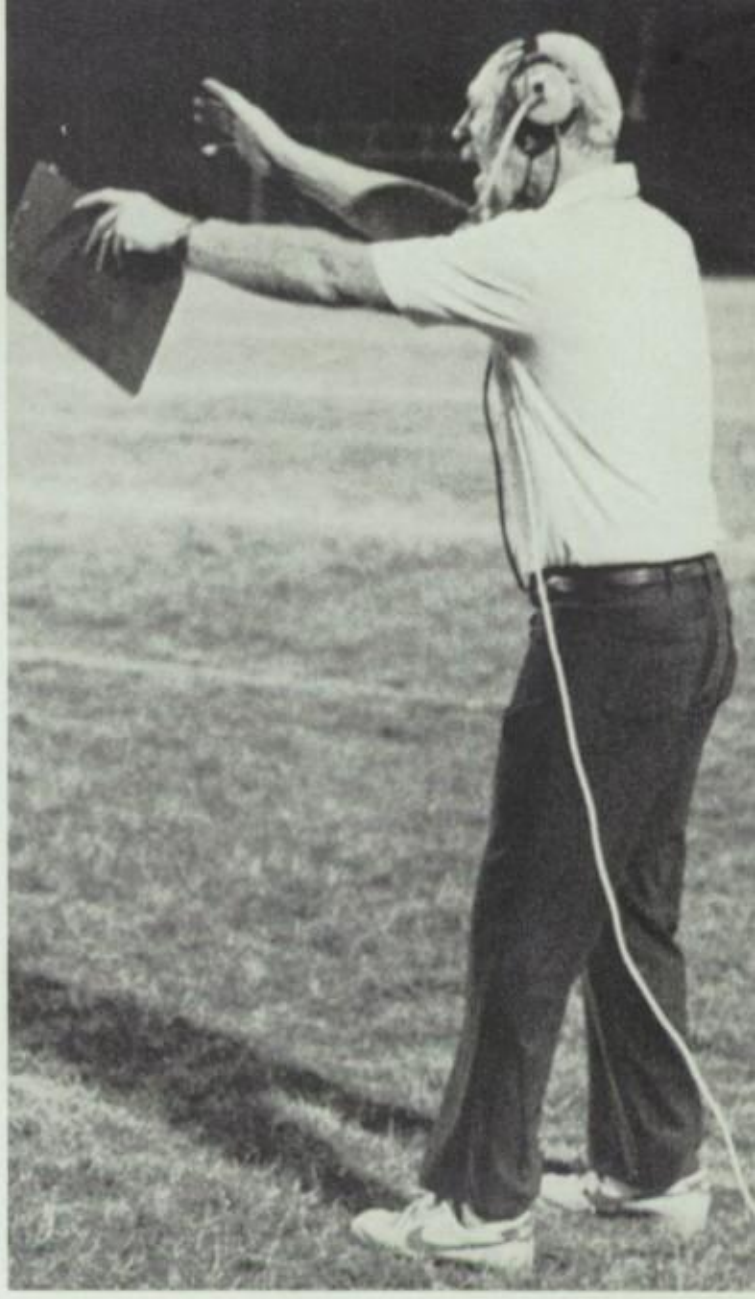
Do you think, O blue-eyed banditti,
Because you have scaled the wall,
Such an old mustache as I am
Is not a match for you all!

I have you fast in my fortress,
And will not let you depart,
But put you down into the dungeon
In the round-tower of my heart.

And there will I keep you forever,
Yes, forever and a day,
Till the walls shall crumble to ruin,
And moulder in dust away.

— HENRY WADSWORTH LONGFELLOW





Life's Mirror

There are loyal hearts, there are spirits brave,
There are souls that are pure and true;
Then give to the world the best you have,
And the best will come back to you.

Give love, and love to your life will flow,
A strength in your utmost need;
Have faith, and a score of hearts will show
Their faith in your word and deed.

Give truth, and your gift will be paid in kind,
And honor will honor meet;
And a smile that is sweet will surely find
A smile that is just as sweet.

Give sorrow and pity to those who mourn;
You will gather in flowers again
The scattered seeds of your thought outborne,
Though the sowing seemed but vain.

For life is the mirror of king and slave —
'Tis just what we are and do;
Then give to the world the best you have,
And the best will come back to you.

A Reflection of North Carroll High

If North Carroll was to look at itself in a mirror, it would find that on the exterior it looks like just another brick building with athletic fields and parking lots. But there is one thing that separates NC's exterior from other schools — the personal touch and tender loving care for its appearance. The grounds are decorated by trees of various sizes, small bushes that form the letters NC on the front hill, and shrubs that line the walkways into the school. NC also has a pond and a road: Panther Lane, proudly named after the school mascot. The interior of NC is distinguished by its wall-to-wall green carpeting, countless windows, and open classrooms. It has lettered sections for each major subject area and numbered classrooms that correspond to their floor and position within the section. The sections are divided into rooms by movable partitions and in some cases pale yellow cinderblock or brick walls. The classrooms are located along the three outermost sides of each section. Other than the classrooms, NC has a guidance office, a main office, a media center, a cafeteria and commons area, an alligator pit — a large, open stairwell in the commons area, a school store, an auditorium, and two gymnasiums. The media center has a quiet, relaxed atmosphere and a multitude of books. But there is more to NC than exterior and interior. There are teachers that are well versed in their subjects and students that strive to do well in the classroom as well as on the athletic fields. The teachers and students give the school a friendly atmosphere. All of these things make NC an enjoyable place to learn.

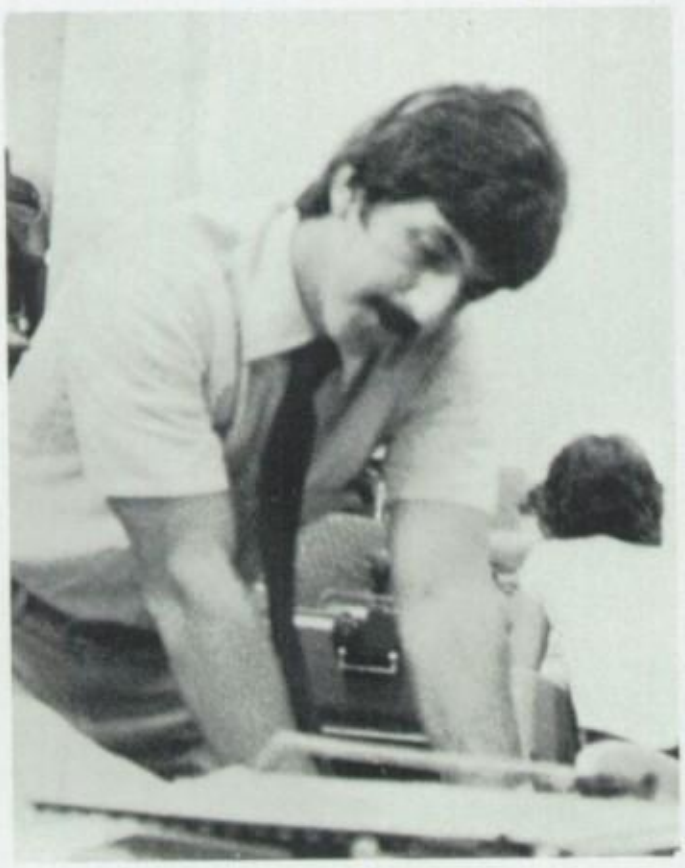
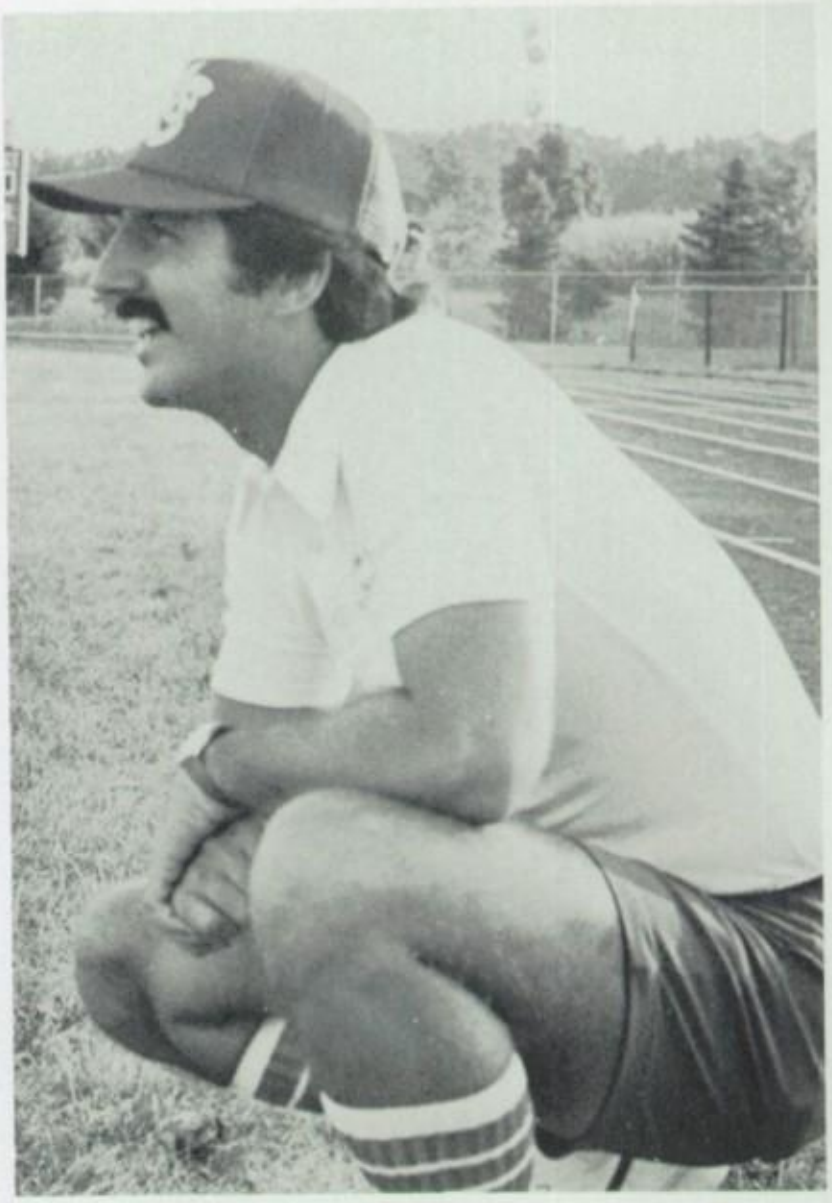
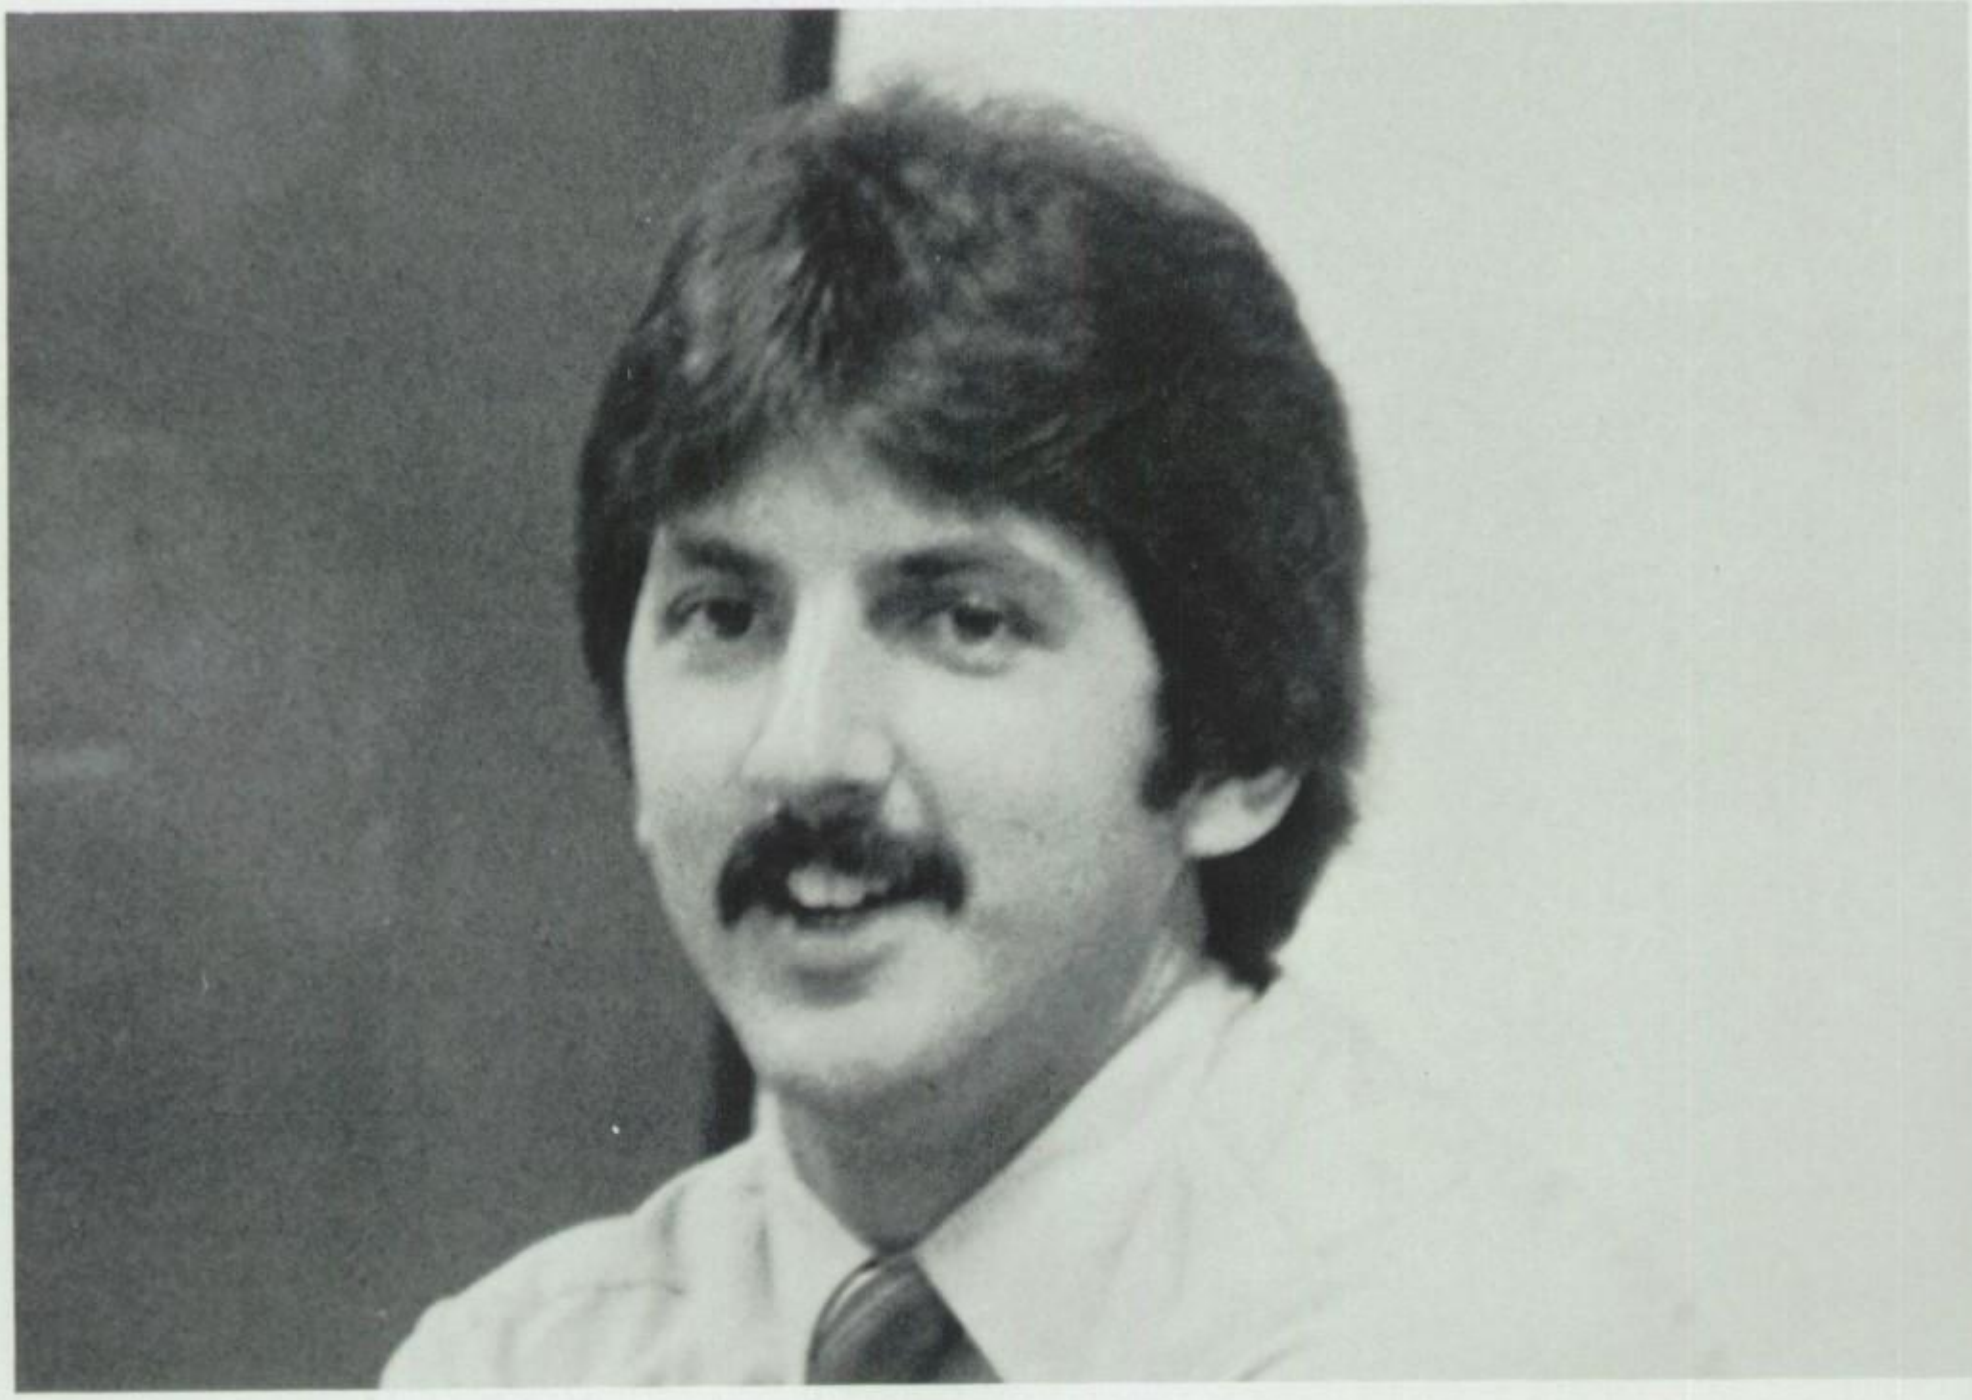
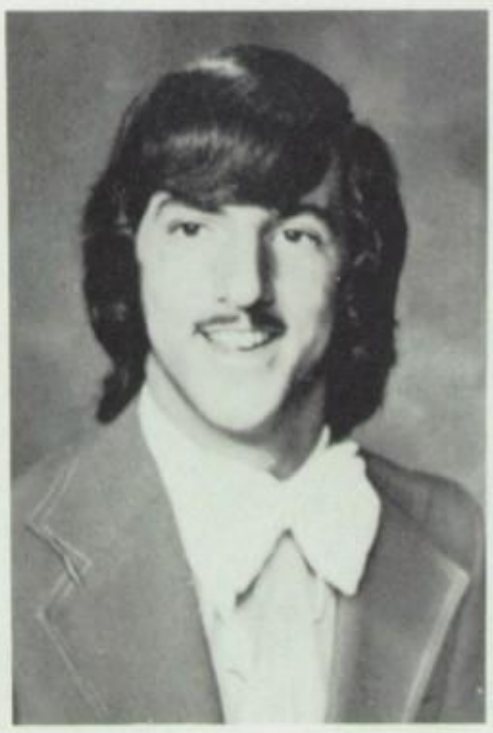
DEDICATION



CLASS OF 1984







CLASS OF 1975

WHEN YOU FIRST WALKED INTO HIS CLASS, IF YOU DIDN'T KNOW THAT HE WAS THE TEACHER, YOU'D THINK HE WAS JUST ANOTHER SENIOR TRYING TO GROW A BEARD. ONCE YOU GOT TO KNOW HIM, YOU FOUND THAT HE JUST COULD NOT DECIDE WHETHER TO GROW A BEARD, A MUSTACHE, OR SHAVE IT OFF ALTO-GETHER.

THIS 1975 NORTH CARROLL GRADUATE, WHOSE SENIOR AMBITION WAS TO FURTHER HIS EDUCATION, DID INDEED DO SO AT TOWSON STATE. IN 1980 HE RETURNED TO NORTH CARROLL TO FURTHER OUR EDUCATION AND ENRICH OUR LIVES.

HE HIGHLIGHTED HIS SECOND YEAR BY ATTTENDING PROWL '81 AT THE WASHING-TON COUNTY OUTDOOR SCHOOL. HE PRO-VIDED PLENTY OF CORNY JOKES AND TERRIBLE PUNS.

AS A CLASS ADVISOR, HE HELPED US TO HAVE A SUCCESSFUL JUNIOR YEAR, THE HEIGHT OF WHICH WAS OUR JUNIOR-SENIOR PROM. HE SPENT MUCH TIME AND EFFORT MAKING SURE THAT EVERYTHING WAS JUST RIGHT, THAT THE EVENING MIGHT BE A SPECIAL TIME FOR ALL TO REMEMBER.

IN HIGH SCHOOL HE WAS A MEMBER OF THE FOOTBALL, TRACK, AND LACROSSE TEAMS AND THE BOYS VARSITY CLUB. THIS SPORTS-MINDED TEACHER IS NOW THE COACH OF THE NEWLY-FORMED GIRLS VARSITY SOCCER TEAM.

MOST IMPORTANTLY HE HAS PREPARED US FOR THE FAST-PACED COMPUTER WORLD. WITHOUT HIM WE WOULD NEVER HAVE BEEN ABLE TO UNJAM THE KEY-PUNCH MACHINES AND FIND THE ERRORS IN OUR PROGRAMS. IN SHORT HIS HIS CLASSES BECAME A HIGH TECH ADVEN-TURE IN CHIPS FEATURING PUNCH AND ROM .

HE HAS BEEN OUR TEACHER, ADVISOR, COACH, AND OUR FRIEND. TO SHOW OUR APPRECIATION, WE THE CLASS OF 1984 DEDICATE OUR YEARBOOK TO...

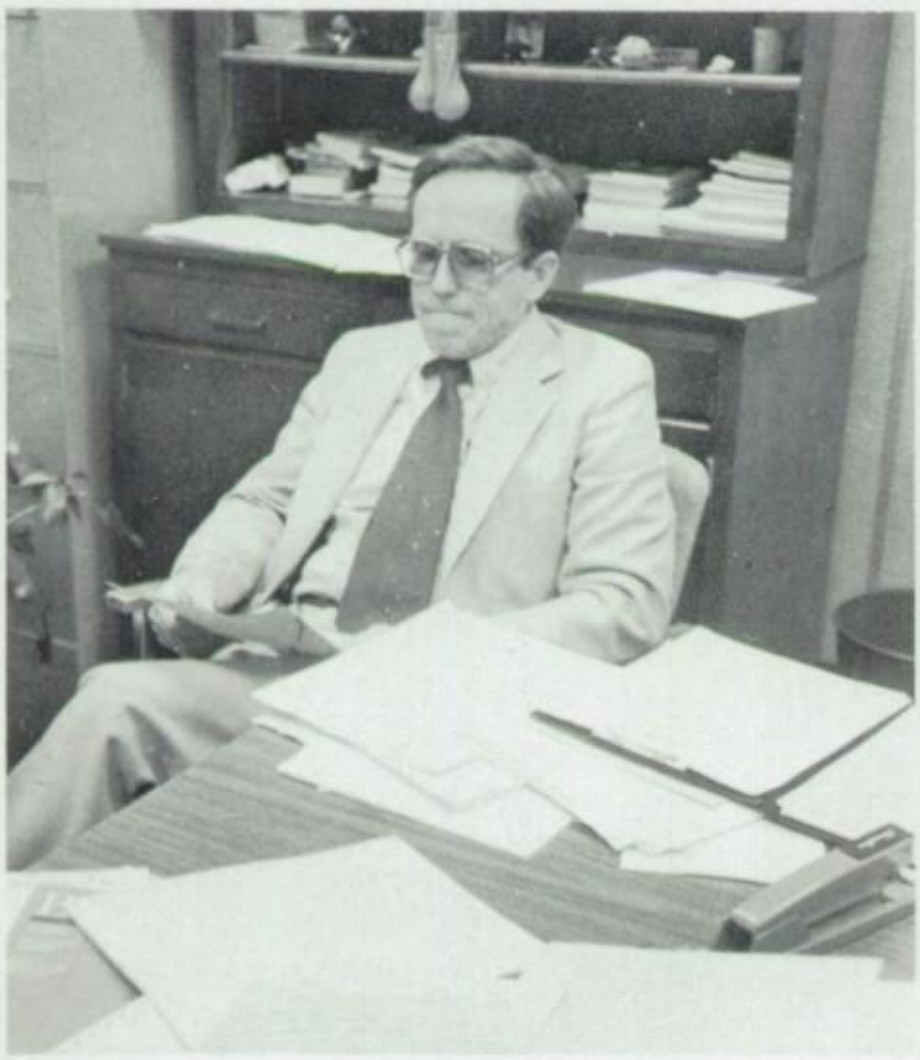
To the Readers of Quo Vadis, 1984

A yearbook records events for future reference and reflection. It is my hope that each time you review these pages, the items recorded in this book will remind you of significant events from your past. Certainly this record of one year of your high school days will remind you of some happy times. Yet, more importantly, recorded here are reminders of events that occurred that gave you information and data that permitted you to learn more about who you are, what you stand for and where you are headed. As you reflect on these events and the meaning they had for you, don't hesitate to add new data from more recent events. Thus you will continue to learn more about yourself. With this increased knowledge, accomplishments and achievements should come your way with less effort, giving you an ever increasing productive life.



Best Wishes!

Class Song — Rubicon

In this promised land
Fire burnin' in our hands
The choice is ours to make
Realize your fantasy
You live the dream
With every step you take
Stand tall stand on the edge
Use the thin end of the wedge
The will to cast your fate
Lose ground if we hesitate
Burning youth won't wait

Make a move across the rubicon
Future's knockin' at your door
Take your time
And choose the road you want
Opportunity is yours

See it all so clear
Time is right, time is near
We know now what to do
All God's children learn
Which way to turn
Turnin' back we're through
We all refuse to lose
Live life and light the fuse
Burning youth won't wait

I think that America is fantastic because you never know what tomorrow is going to be like. I discovered new things everyday since I have been here. People like you at North Carroll make it easier for me to adapt to a new culture and that is why I'd like to thank you all very much. And if there is one thing I really agree with you about, that is, "PANTHERS are #1!"

A.F.S. has made some of my dreams come true. Living in the United States for a year has taught me a lot and provided the opportunity for me to enjoy many of the things that I could have never known otherwise. My family and the people I have met during this time will always have a special place in my heart; and I thank you all for making this year what it was: a unique and wonderful experience.

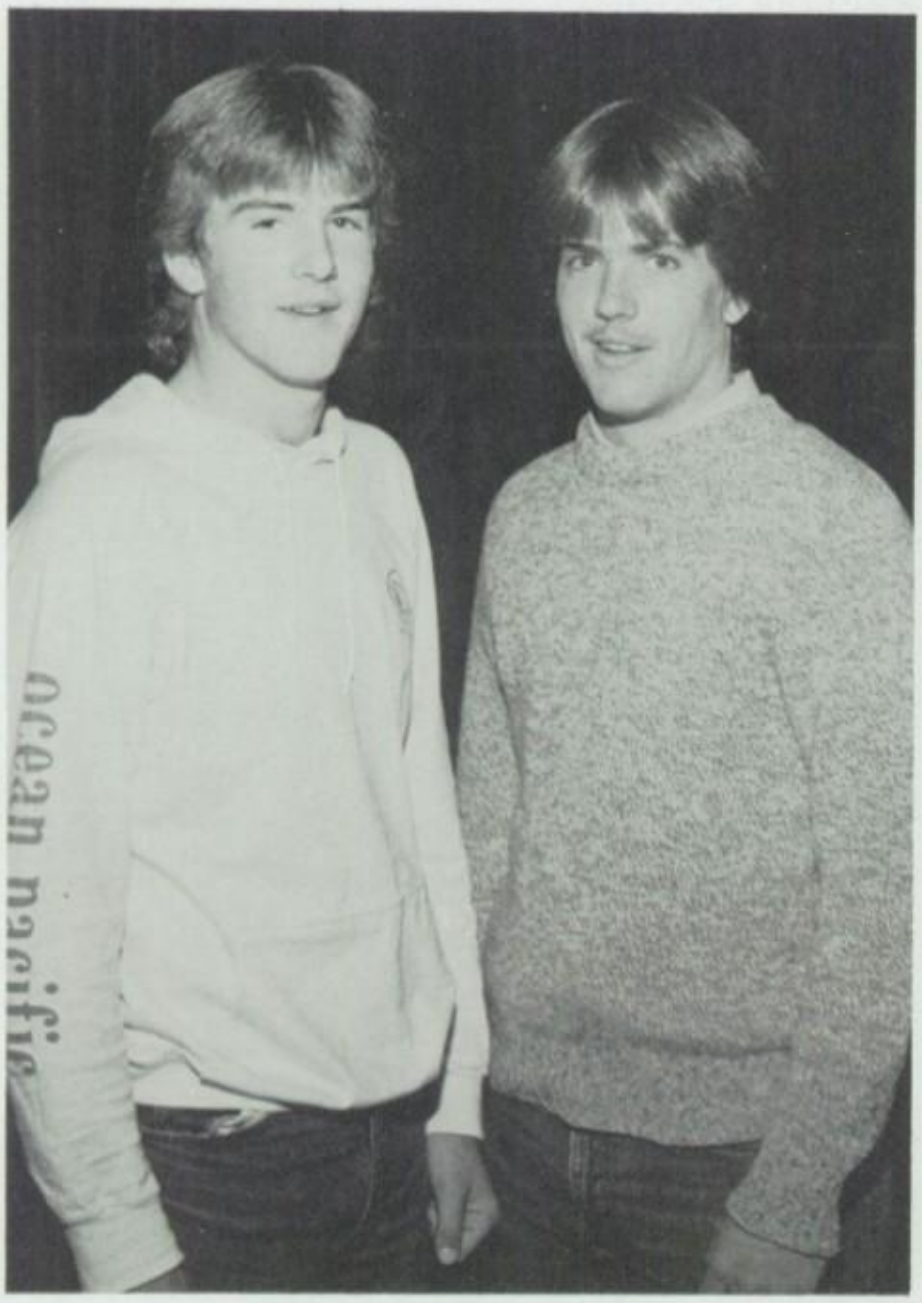
Homecoming

North Carroll's Homecoming Dance was somewhat different this year in the sense that a large number of people attended without escorts, in other words, "stag."

Homecoming Court: Deena Boone (1982 queen), Jennifer Nickerson, Matt Berry, Terri Dignan, Mike Shipley, Kerry Barraco, Mike Urbain, Candi Crispin, Kevin Levee, Devi Fry, Denny Snyder, Carroll Seiler, Wendy Mitchell.

This year's Homecoming game was won by North Carroll. Our Panthers defeated Boonsboro by the score of 14-7. The King and Queen this year were Carol Seiler and Wendy Mitchell.

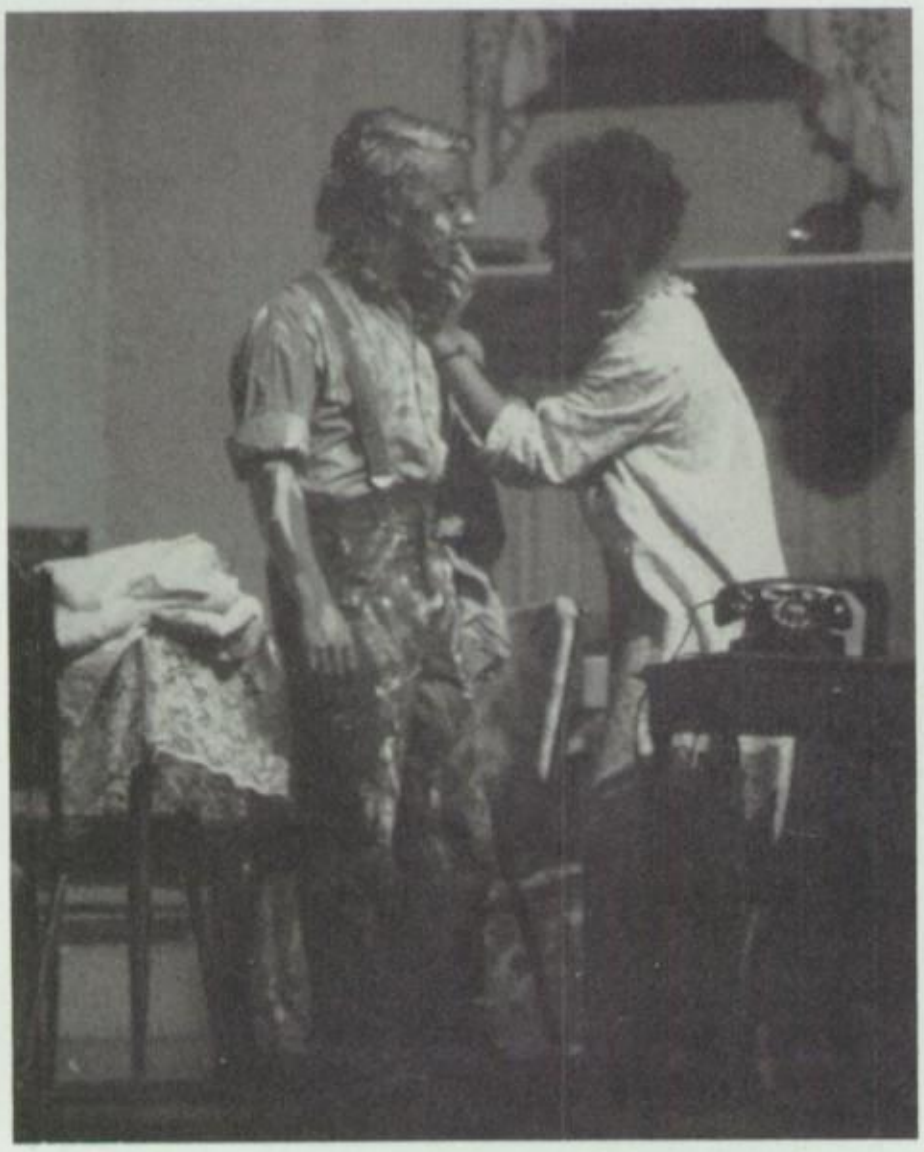
BOYS' AND GIRLS' STATE

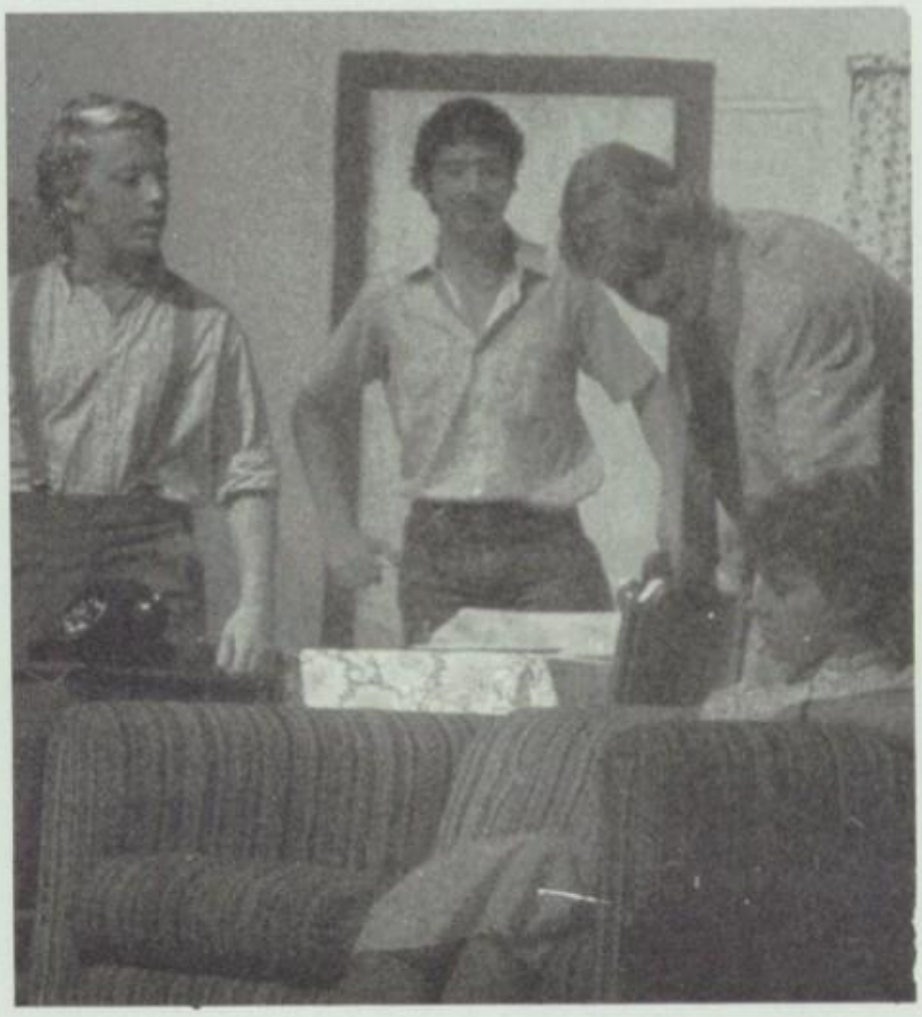


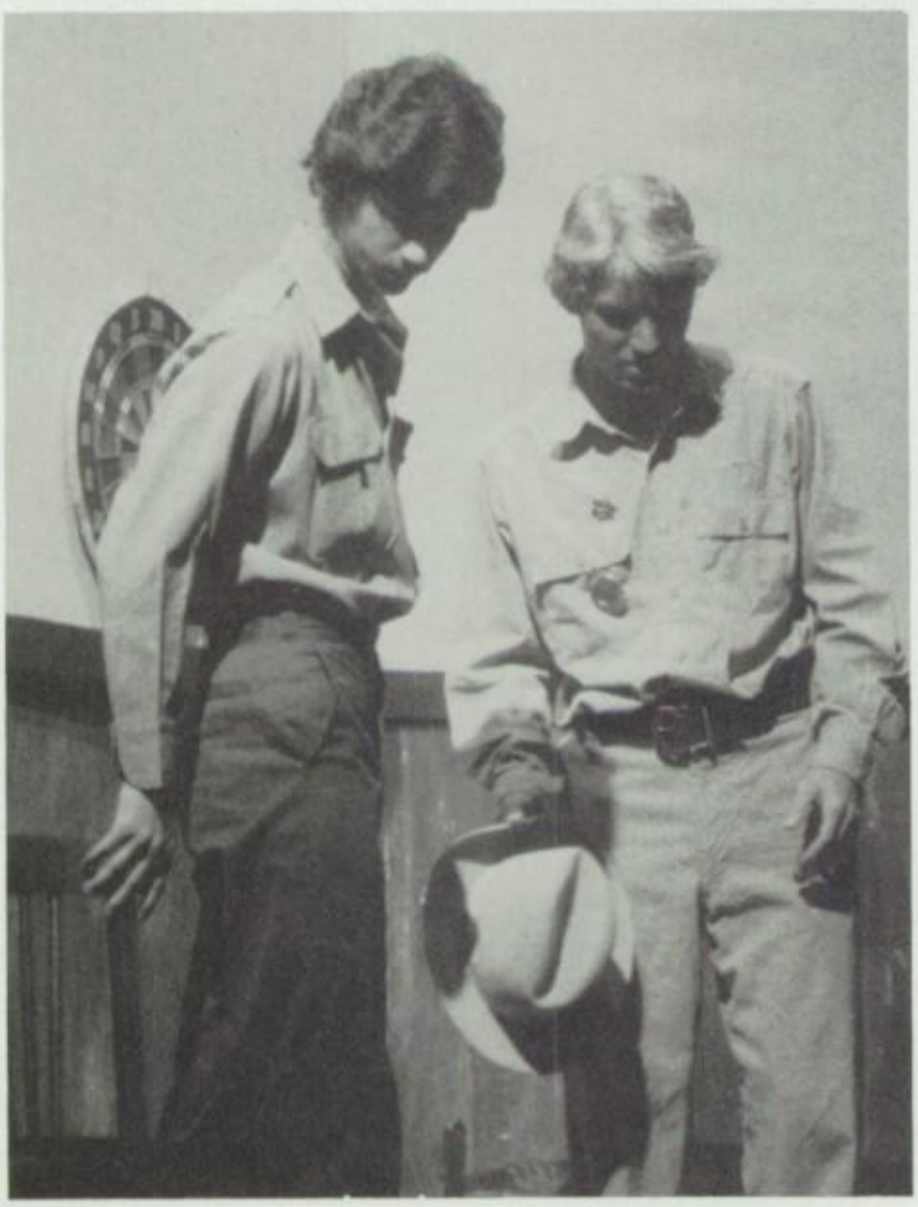
During the summer of 1983, three senior boys were chosen to attend Maryland Boys' State at Forte Meade. Denny Snyder, Brian Eslinger, and Carroll Seiler were the chosen representatives from North Carroll High School. During their one week stay, they lived in barracks designated as cities, while learning about the government and how it works. They had to adapt to the strictly disciplined life-style of the dictatorship rules by the Marines. It was a very educational and rewarding experience for each individual.

Barb Shea, Stacey Herring, Melissa Kaltrider, and Michele Salafia went to Washington College in Chestertown, MD. to be a part of Girls' State. They learned the operation of the government. They were able to perform as government officials, participate in debates, and hear several interesting speakers. These girls also made a lot of new friends and overall, it was a good experience for the girls.

FALL PLAY







The fall play of 1983, "The Rainmaker", was a pleasure for both those involved and those who sat in the audience. Miss Rooney did another great job this year along with the cast. The cast included Renee Keagy, Jesse Sharp, David Sherry, Kevin Harlinsky, Troy Lochner, Mark Miller, and Robby Thompson. The meaning of the play was that a girl, Lizzie, did not realize that she was beautiful until the rainmaker came along. He brought a miracle with him, the miracle of love.

The 1983-84 Quo Vadis Staff

The 1983-84 Quo Vadis yearbook staff has brought many beneficial changes to the yearbook. All members of the yearbook staff do their share to contribute to a beautiful final product. The 1983-84 Quo Vadis yearbook's theme is reflections. The theme is carried suffiently throughout the yearbook. Quo Vadis does it's best to capture the most memorable times at North Carroll. Twenty years from now, the yearbook will provide many of us with reflections we'll never forget.

Dan Pennington — Sargeant at Arms

Student Government at North Carroll is actively involved in many things this year. A canned food drive, Homecoming, Prowl and a blood drive are just a few. SGA is definitely a reflection of the future leaders of America and with such people in the white house, the future looks brighter already. Parlimentary procedures are followed at every meeting and students from every grade at N.C. get a chance to voice their views. One important branch of the student government is the Carroll County Student Government. Here students take part in county wide meetings and discuss county issues. In all, SGA consists of fine students who care about the events in their school and county.

The Panthers Tale

The Panthers Tale has improved a great deal in the last two years. It has gone from Xerox dittoes to professional lay-outs and articles. The Panthers Tale covers many beats and if there's news anywhere or anytime, you'll find a Panthers Tale reporter ready with pad and pencil in hand. The paper has interesting personality profiles, album reviews, investigative articles, sports articles and controversial survey. Each reporter contributes his share and thus, a professional looking paper is produced. If you want the news when it happens and how it happens, buy The Panthers Tale and have all the information you'll ever need right at your fingertips.

Dungeons and Dragons

The D&D group is new at North Carroll. These interesting fellows come together to play a game which requires total concentration and imagination. Each takes the identity of a certain character ranging from a sorcerer to a paledin. Each character is tested many times throughout the game in his strength to survive. D&D is a mental exercise as well as a fun and challenging pastime. Advisor: Mrs. Walters

The Debate Team is another addition to the clubs at North Carroll. The Debate Team participates in many county competitions and these students get a chance to voice their opinions on many worldly issues. These students spend many dedicated hours researching for their next hot debate. Although the Debate Team works hard, it also has time to enjoy the pleasure of honestly expressing their feelings in a relaxed and comfortable atmosphere.

Debate Team and Drama Club

The Drama Club is responsible for organizing the props and make-up for the many superb presentations at North Carroll. This club works hard in publicizing plays and making them the success they always are. The show must go on and when it does you can be guaranteed the Drama club is behind the curtains working with dedication. Advisor: Ms Rooney.

Espanol / Francąis

The Spanish Club works hard to build appreciation for Spain and other Spanish speaking countries by sponsoring trips to restaurants and sharing knowledge about different cultures. Thanks to the Spanish club, it is a small world after all. Advisor: Mrs. Durham

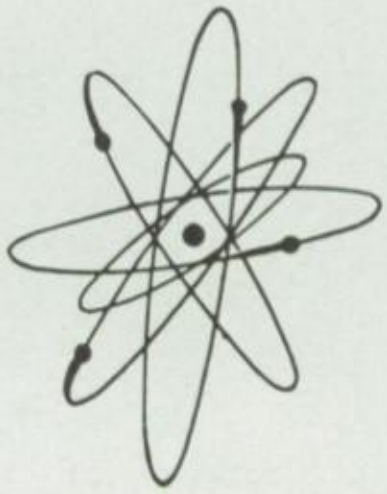
The French club consists of students interested in France and its interesting culture. The French Club also visits restaurants to get a taste of real French delicacies. These students learn more about the language of love and how to appreciate French culture. Advisor: Ms. Foyle

GAA

The Girls Athletic Association at North Carroll consists of very dedicated athletes who realize this dedication goes farther than just on the court. Money must be earned to supply the teams with uniforms, equipment and awards. GAA members show their team spirit by working together to make North Carroll sports the best in the county.

BVC

The Boys Varsity Club also works hard to supply their teams with uniforms and equipment. These fine athletes are responsible for the Sports Carnival and the Sports Banquet where deserving athletes receive recognition for their achievements. BVC morale is high and a victory for one team is a victory for the whole club.



When it comes to Biology or Physics, a Science club member is always on top of it all. The Science club works hard in studying issues and theories in all branches of science. Movies and presentations are just a few of the activities Science Club has to offer the interested students.

North Carroll has many memories for all of us. When we reflect back on our years at NC, one of the most memorable reflections will be those exchange students who brought laughter and brightness to our lives for a year. For a short time, we had the chance to visit other countries through the eyes of the students here. In turn, the exchange students learned that baseball, hotdogs, apple pie and Chevrolets aren't so bad after all.

Junior Achievement

The J.A. at North Carroll provides students with the opportunity to experience the world of big corporations. J.A. does many exciting things and the students involved will use these experiences later in specialized jobs. Workers of J.A. receive salaries for their products and learn how to promote and sell items. J.A. prepares it's members for the competitive and demanding business world.

Ski Club and The Sound and Lighting Crew

If there's snow in the forecast, any Ski Club member is sure to be gearing up for the slopes. The Ski Club visits many local ski slopes and the members are always anticipating the next big snow. If snow is your thing, the Ski Club is definitely for you.

Advisor — Mr. Owens

When the curtains come up and the show begins, you can bet the Sound and Lighting Crew is behind the scenes making the music and lighting just perfect. The Sound and Lighting Crew is another indispensable organization of North Carroll.

National Honor Society

NHS is made up of the elite of North Carroll. The group, itself, represents the character and leadership qualities of many of our prestigous students. They also provide the student body with candygrams at many selected holidays throughout the year.

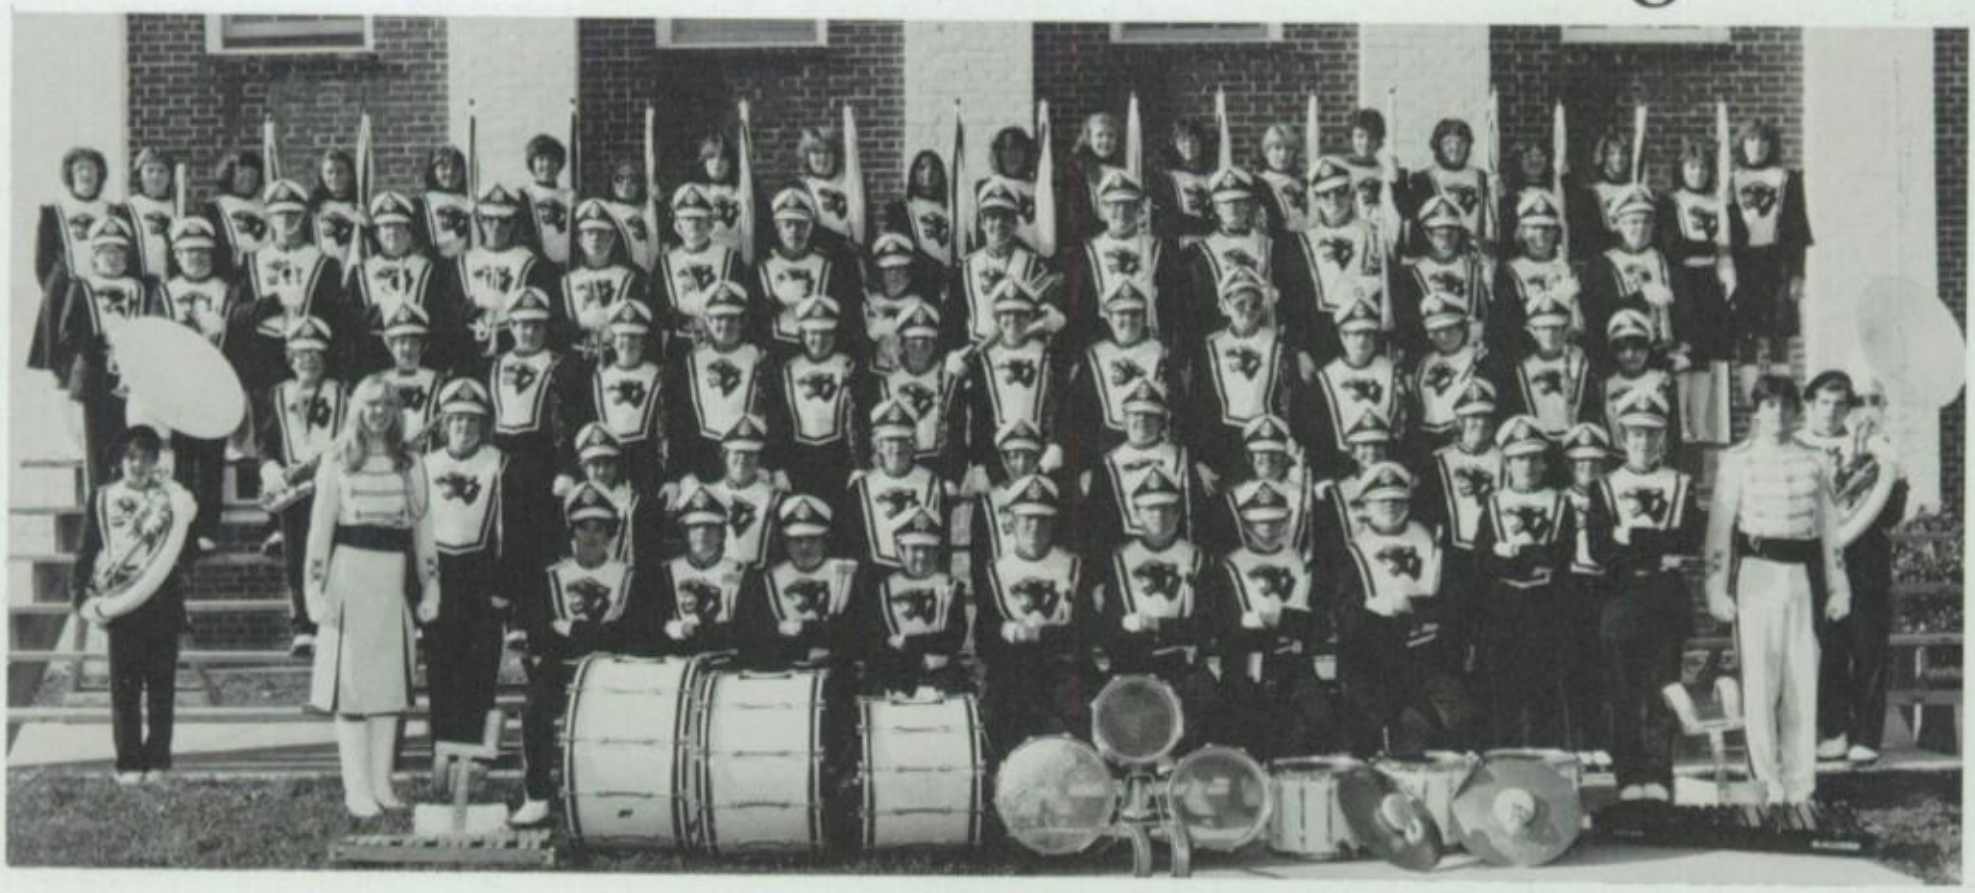
NHS officers

NHS advisors — Miss Foyle, Mrs. Mathews

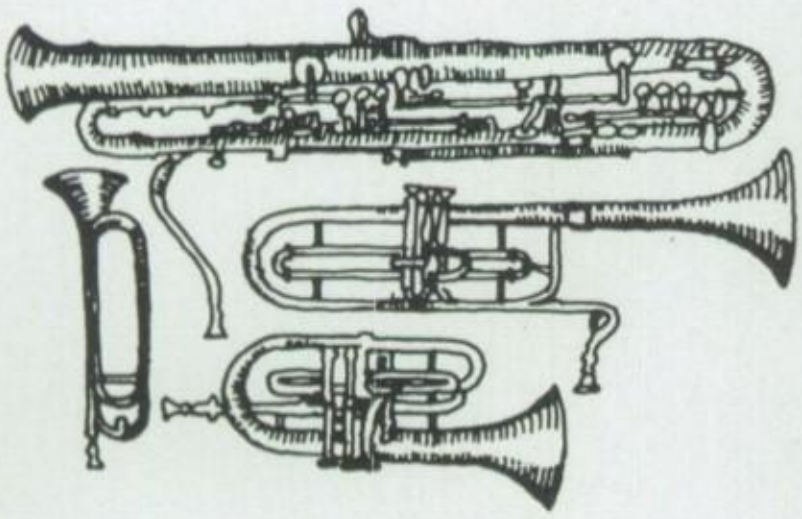
Peer Counseling and The Special Service Club

Peers counselors at North Carroll provide many students with the opportunity to discuss things with their peers. Peer counseling gives students a chance to help and learn from each other. Anyone interested in peer counseling should inquire at the guidance office.

Concert and Marching Band



The Band adds pizazz to many halftimes as well as giving talented musicians the chance to display their skills. The Band often competes in county parades and festivals. When it comes to music, the North Carroll Concert and Marching Band provides our school with a band to be proud of.

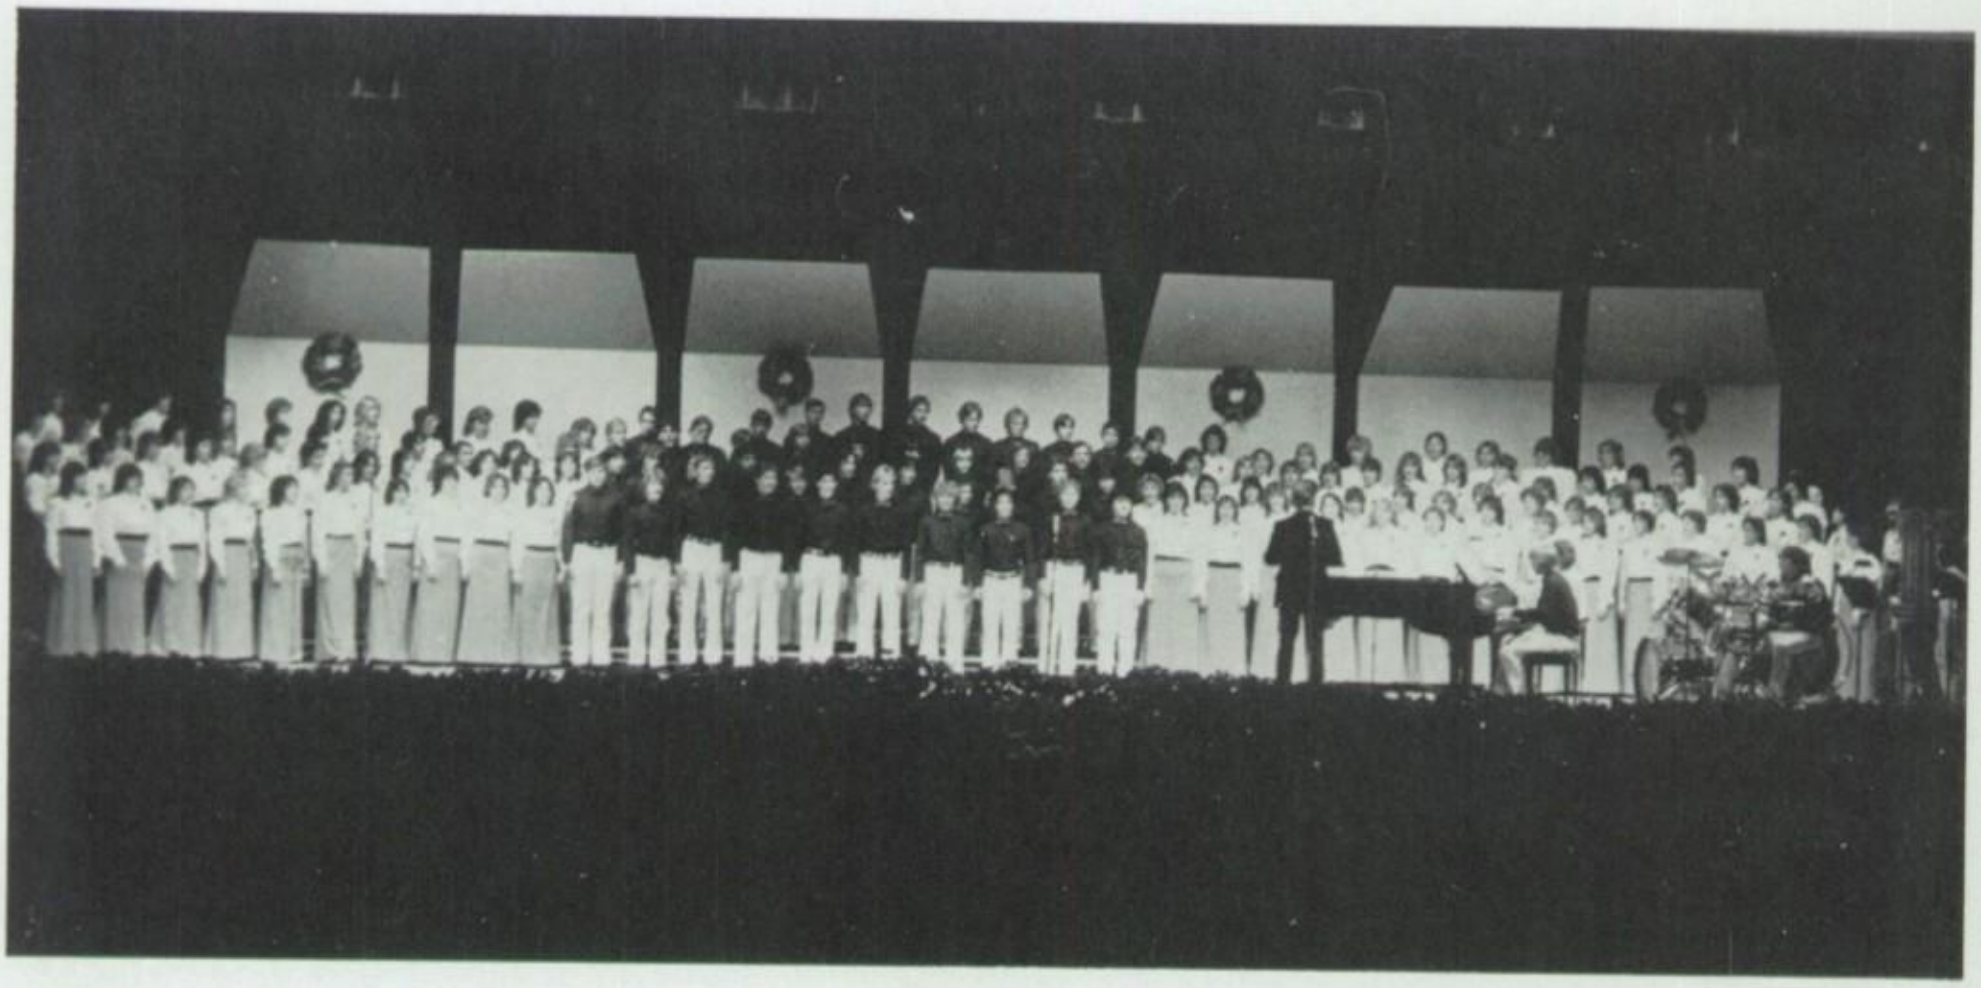


Drum Majors — Karen Wolfe and Dan Pennington

Jazz Ensemble and Bandfront

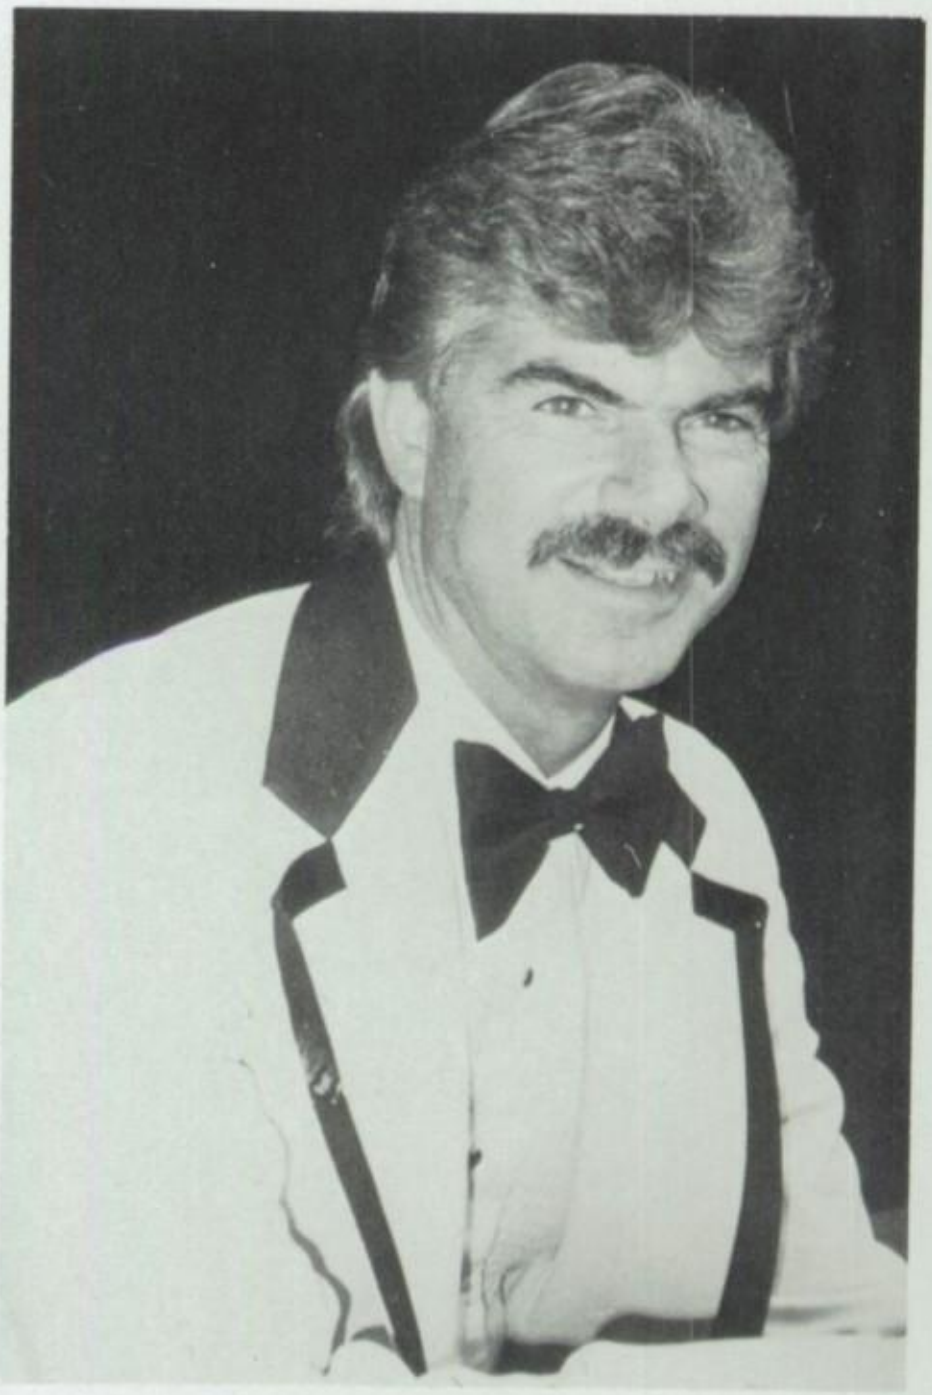
The Jazz Ensemble at North Carroll is a group of talented musicians who take old music and produce a whole new sound. The Jazz Ensemble provides musicians with the opportunity to express their love for music. If Jazz is your bag, The Jazz Ensemble is your band. Director — Mr. Douglas

The Band Front is very important to the Marching Band because the Band Front adds sparkle to the Band. Both work together and compliment each other beautifully.



Concert Choir

The Concert Choir at North Carroll is a vital, energetic group of singers who represent North Carroll with style. This organization is the biggest at N.C. and performs several times a year. Each time the choir brings life and beauty to the stage and to the audience. The Concert Choir has the magic to make the audience feel like getting up and dancing.



Director — Mr. O'Day

North Carroll Ensemble

North Carroll's Ensemble is an organization for students with a passion for music and singing. The ensemble travels to many places spreading their vitality to audiences everywhere. The Ensemble should be commended for providing North Carroll with the best entertainment in the county.

Future Farmers of America

This group successfully provides students who are interested in farming with the opportunity to meet people with the same interests. The FFA has won many awards and serves North Carroll in many ways. FFA prepares it's members for the future by giving them the chance to work with livestock and attend many fairs.

PRIDE IS NOT LOST

Although this year's record of 1-9-0 was not outstanding, there were many players who were. Their skill was there to be seen but due to some odd reason many of their games were lost. Yet even with so many losses one thing still remained; their pride. They didn't quit even when they down and out. Two of our varsity players were honored with being picked for the M.V.A.L. team. Chris Stitcher was selected for the second team as well as the 1st team of Carroll County. Carroll Seiler was selected for honorable mention as guard.

HOMECOMING GAME IS WON

Over the years, our Panther varsity football team has been defeated in the traditional Homecoming Game by one team or another. Some have been close and others have not, but this year's game was different. Playing against the Boonsboro Warriors, the Panther grid-iron came alive with 2 touchdowns and a 2 point conversion run to win their first and only game of the season in front of a huge and overwhelmed Homecoming crowd.

UNDEFEATED IN REGULAR SEASON

This year's team was sensational as usual. Through the years N.C. soccer has been noted for its skill, sportsmanship, talent and hustle. This year was no different. As the record indicates, this team was undefeated in regular season play, becoming the Carroll County Champs and the M.V.A.L. Champs as well. Many of the team's players received honors for their outstanding performances.

This year, the N.C. Athletic Program had a new addition. No, not a new baby, not a new room, but the girls soccer team. The girls, under the coaching of Mr. Myers and Mr. Dawson, started out with very little team experience. As the season progressed, the team's playing ability increased, surprising exeryone. The varsity team had an overall record of 8 wins and 2 losses. This record brought them the title of county champions. The team went on to the district playoffs, but lost in the first game.

The JV team had an overall record of 6 wins, 1 loss and 1 tie. Three of the JV players — Sandy Doss, Maureen Sordillo, and Leslie Whye — because of their playing ability, were moved up to the varsity team.

Throughout the season, the team spirit lasted off the field as well as on. The whole team became good friends, or "buddies" as expressed by Chris Sherry. The team's friendship was shown to all when the team went to a costume dance dressed as smurfs. Even Mr. Myers appeared as Coach Papa Smurf.

Now that the soccer season is over, the team will have many memories, and yet another goal to reach next season.

VARSITY VOLLEYBALL

The 1983-1984 volleyball team ended its season with a 9-5 record. Despite the rough competition the team faced this year, with the encouragement and coaching of Mrs. Richards, they fought to the end and it paid off. They tied for 2nd place in the county and traveled on to the regional playoffs, where they came in 3rd place. In order for these girls to reach the regionals, they knocked out county rival Liberty.

This years team consisted of 5 seniors and 8 juniors. Cindy Brooks, Tara Bowmaster and Kim Owens were the managers this year for the team.

Cheerleaders are an important part of any school athletic program because they help the crowd cheer the team on to a victory.

Cheerleading is a sport that requires a lot of hours of practice. Some of our girls even attended camp during the summer where they received a blue superior ribbon, a second place trophy, and a spirit stick for displaying the most pep and enthusiasm.

Thanks to the dedication and numerous hours spent in practice, the season was a success with the help of Ms. Foyle.

This year, the North Carroll Varsity Hockey team had a 10-2 record for its regular season. The team scored 28 goals on 11 opponents. They made it to the Carroll County Championships.

Some of the seniors were named to the MVAL teams. On the first team, Dee Bures, Devi Fry and Stacey Herring were named. Denise Hievert and Sharon Gardner were named to the second team, and Amy Boerner was given an honorable mention. Way to go girls!

JUNIOR VARSITY FIELD HOCKEY

The Junior Varsity Field Hockey, coached by Mrs. Conner (picture not available) had an undefeated season this year. Last year the team was also undefeated. This makes 24 games that our Junior Varsity team couldn't be beaten.

To top that, the team had only two goals scored upon them during the whole season, while the Panther players shot 31 goals on the opponents.

The team record came out to be nine wins, no losses, and three ties. High scorer was Jill Brashears with eight goals.

Panthers Fight Hard

The panther basketball team got off to a slow start this year but fought back hard to upset some very tough schools. Although the varsity squad was 6-16 for the year, they were 22-0 in our hearts. Again under the coaching efforts of "Head Bob" Flynn the panther team went into a three game winning streak. The team drew many fans to both the home and away games, packing the stands in the last game. As of the last game many outstanding happenings occurred. Among them were the tied score at half-time, and the new tradition of toilet paper throwing after the first basket, and finally after two years of injuries Harry "power-man" Ryan scored on a swish 20 feet out.

WRESTLERS NUMBER 1

Panther grapplers enjoy the sweet taste of victory again this year. They won the county title once again and also went to regionals. Although their schedule was rougher and more strenuous this year the NC wrestlers ended with a 14 wins and 1 loss record. In the matches there was high anxiety as they met with some of the best wrestlers around. The panthers successfully shutout two teams and came close to doing the same thing to many other schools.

NC Celebrates Its First Wedding

by Brian Jackson

The only mockery in the North Carroll High marriage class's mock wedding was that the bride and groom were not legally married. Someone who didn't know better could not have believed that this December 7 wedding in the school auditorium was anything but the real thing.

The mock-wedding was the brainchild of Georgia Frank, marriage class teacher at NC.

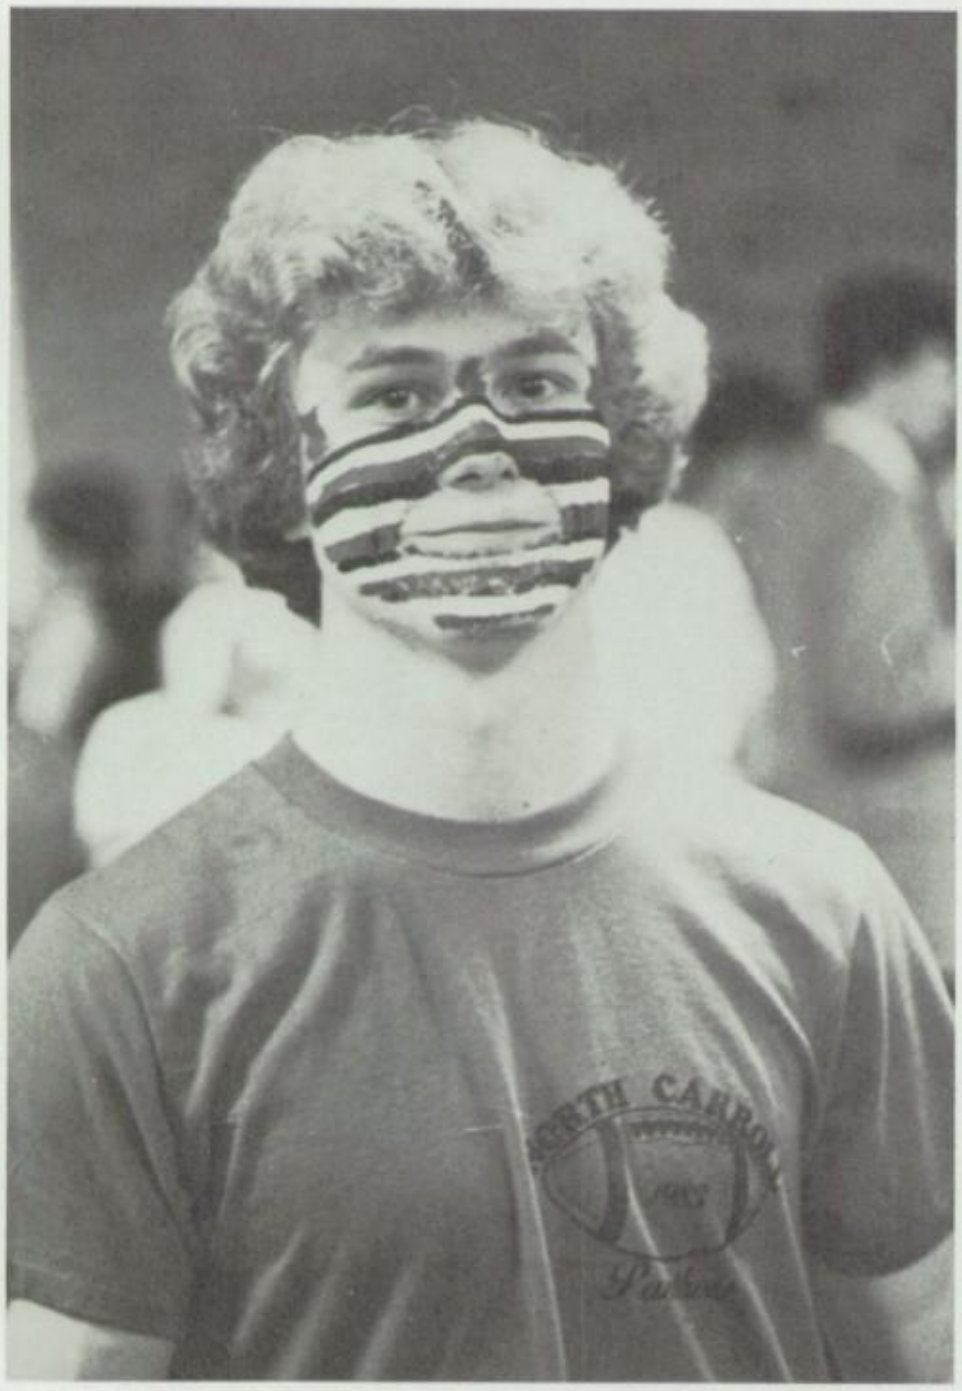
The 1984 Quo Vadis Staff would like to extend a special thanks to the Herff Jones Publishing Company for the outstanding job they did in introducing us to their methods of yearbook production; to Coy Harris, our Herff Jones representative, for his special trips to the school to help the staff meet deadlines; and to the following people for their outstanding contributions to this yearbook: Toby Porterfield, Keith Heindel, Rick and Eric — our photographers from Herff Jones, Debbie Calp, and the students of North Carroll. We would also like to thank the faculty and staff for their patience and understanding; and the senior class for their excellent biographies. Finally, the editor wishes to thank the staff for their excellent work, help, and cooperation.

Quo Vadis: Where Are You Going?



Patterson!
To a cool guy that
I've only really known since
lacrosse season. I think we
could really have some cool times
after I get my license. Take
it easy and don't let the woman
get to you. If you ever want to
talk give me a call O'kay? Take
it like dude!
your bud,
Mike

Danny,

Hey whats up? How's Ernie. Tell him I say hello. Thanks for being such a good friend this year its been fun getting to know you (and Ernie :) Hope you guys are friends forever, you guys are really fun to be around. Thanks for helping me get through all the confusion. And thanks for always opening your big mouth when I didn't need to hear it. And Remind me never to tell you any thing I want kept a secret. (Thanks for introducing me to Ernie + getting to know him better.) Are you gonna show this to him?!? You probably will but I don't care. 20 years from now neither of you will remember me so I'm not really worried. I think I'm running out of space. So stay cool. Party all summer long! And try to keep out of trouble. Hope to see ya in town sometime.

Danny,

You really are a sweet guy. I'm glad that I've gotten to know you and I hope that I get to know you a lot better this summer. Thanks for helping me out when I've needed help, which is just about always. Good luck in all that you do. I hope that we get to be together a lot over the summer. Keep in touch!

Love,
Wendy

Danny,
I'm glad I met you this year even though we've had some misery(?) problems. Have fun over the summer! Don't party too hard.

Kelley.

Dan,

I'm glad we got to know each other this year. Too bad we couldn't get to know each other this year. Maybe next year. Have fun over the summer and good luck. Have a good one.

Danny.

Wassup Dude? It's been a great year. We've had our moments but you're a great friend and there ain't no way I'll forget ya. We've both been "screwed" by Kelley and I personally don't exactly like her, but dat's da way da cookie bounces. Have an excellent summer.

PS. save my autograph, It'll be worth $999,999.13

Danny,
I've been great to know you this year. I hope we see each other over the summer and bring back some good jokes.
your friend,
Jenny Baker

Danny,
I'm sorry I'm not around to help you get over your broken heart. Don't worry, I'm sure you'll find someone else. Maybe Sunshine Summer.
Love,
Lisa

Danny,
I'm sorry how all ways seem to fix me up with his sister Hope it works out now next year?
